The following is a complete listing of all claims (including claims being currently amended). The status of each claim is indicated in a parenthetical expression after the claim number.

Claims 1-6 (canceled).

1  
Claim ~~7~~ (currently amended): ~~The faceplate of claim 5,~~ A faceplate indicating operation status of an apparatus, comprising:

a bezel; and

a light-pipe;

wherein the bezel and the light-pipe are integrated into one piece; and

wherein the light-pipe comprises a lens and a light guide, wherein the lens focuses light from a light source towards the light guide; and

wherein a surface of the light guide comprises a plurality of lenses to promote diffusion of the light.

2  
Claim ~~8~~ (currently amended): ~~The faceplate of claim 5,~~ A faceplate indicating operation status of an apparatus, comprising:

a bezel; and

a light-pipe;

wherein the bezel and the light-pipe are integrated into one piece; and

wherein the light-pipe comprises a lens and a light guide, wherein the lens focuses light from a light source towards the light guide; and

wherein an ink is applied on a surface of the light guide to promote diffusion of the light.

3  
Claim ~~9~~ (currently amended): ~~The faceplate of claim 5,~~ A faceplate indicating operation status of an apparatus, comprising:
